RE: MAY 10 IOWA COMPOSERS FORUM CONCERT

Enclosed are music and a brief note from Jason for the upcoming May 10 concert. The Friends of WCFSO will provide a light lunch between the Saturday rehearsal and concert.

Note from Jason:

PLEASE take the time to prepare these parts prior to the first rehearsal on May 8. We have short rehearsal time for some very challenging music, so it will be essential for us to be as ready as possible for the first readings. Along these lines, I have secured the permission of all the composers to post a webpage with streaming audio of each piece:

<http://jasonweinberger.com/wcfs080510.html>

You will need to enter the page address exactly as it appears above as there are no external links to the webpage (ie. no link from the 'Musician's Resources' page of the WCFSO site). Email me at the 'Contact' page of my website (jasonweinberger.com) if you have any questions about either the music or the streaming audio.

Thank you ahead of time for your work on this important and unique collaboration with the Iowa Composers Forum.
